THE JEWISH COMMUNITY FOUNDATION OF MONTREAL

Granting Made Simple

Granting through the Jewish Community Foundation of Montreal is designed to be **easy, flexible, and convenient,** allowing fundholders to support the Canadian Registered Charities they care about most—efficiently and confidently.

Flexible Granting, Twice a Month

To best serve our fundholders, The JCF processes grants **twice each month on the 15th and 30th of each month.** This schedule ensures timely support for charities while giving donors the freedom to plan their philanthropy with ease.

Three Easy Ways to make a Grant

Fundholders can recommend grants using the method that works best for them:

1. By Email

Grant recommendations can also be submitted via email to donors@jcfmontreal.org.
Just include:

- The name of your fund
- The charity name
- The registered charity's CRA number (if known)
- The grant amount
- Any special instructions

Our team will confirm once the request has been reviewed and queued for the next granting cycle.

2. By Phone

Prefer a personal touch? Simply call Lee Omer our Grants Officer, available to assist with grant recommendations, answer questions, and ensure everything is processed smoothly.

3. Online Through our Fund Advisor Portal

For maximum convenience, fundholders can make granting recommendations 24/7 using our secure Fund Advisor Portal.

The portal allows you to:

- Submit grant recommendations online
- Search previously supported charities
- Track pending and past grants
- View your fund balance and activity

The interface is designed to make granting effortless, transparent, and efficient.

Supporting Canadian Registered Charities

Grants from your fund can be directed to **any Canadian Registered Charity** in good standing with the Canada Revenue Agency. Whether you're supporting local organizations, national initiatives, or charities across the country, the JCF ensures compliance, due diligence, and timely distribution.

Our Commitment to You

At the JCF, our mission is to make your philanthropy **smart, simple, and impactful.** By offering multiple ways to grant and a predictable granting schedule, we ensure your charitable intentions translate into meaningful support for the community.
